SIMPLIFYING PACKAGING

WHO WE ARE

We are Pactap, a one-stop solution for all your packaging needs. Our tech-enabled digital platform connects buyers to the right set of global manufacturers to deliver high-quality and cost-effective packaging solutions, only within a few taps.

Our Vision

At Pactap, we envision establishing a global platform that simplifies your packaging needs through high-quality and innovative solutions.

Our Mission

Tech intervention is at the heart of Pactap's operations. Our strengths in logistics and quality audits enable us to offer end-to-end packaging solutions to our clients all over the world.

66

Pactap serves a host of industries – from e-commerce and FMCG to retail and the food takeaway space.

We provide our consumers with end-to-end solutions that are innovative and sustainable, so that all their packaging needs are taken care of, on a single platform.

Powered by Aero Plast Ltd.

Pactap is backed by Aero Plast Ltd, a pioneer in the packaging industry with an extensive experience of 44 years. Our world-class manufacturing facility and extensive quality control mechanism helps in catering to the needs of diverse clients.

Flexible Packaging

Flexible packaging involves the use of non-rigid material for packaging, allowing for more cost-effective and adaptable solutions. From cosmetics to medical supplies to consumer goods, flexible packaging is an important component in the supply chain of several industries and products.
